The complex is framed up in the picturesque village of Saint Vlas advised with its incredible nature combine of a mountain range and its alone climate. The complex is located in 500 underpasses from the central beach. Only 5 minutes away from the new marina and its sandy beaches. The beaches in Saint Vlas were awarded in 2007 with the eco prize "Blue Flague", because of its crystal water and the fine sands! Only 3 minutes away from the main shopping street! The complex includes 62 apartments and studios with area from 35 sq.m. to 120 sq.m. Completely finished, supplied with an air-conditioner, PVC window frames, equipped bathroom, heat- and hydro insolation. Most of them have panoramic sea view over the Nessebar Bay and the luxury Sunny Beach.

On the territory of the new complex - swimming pool, café, garden, children's playground, underground parking. Twenty-four-hours security and maintenance, private access.
